Tool Features

RELIABILITY

Every component, every mechanism and every function of the 2235TiMAX Color Series has been put through the most rigorous testing to ensure it always performs in the face of the toughest applications. Backed by a two-year warranty, the 2235TiMAX Color Series is finely tuned to be your go to tool.

VERSATILE

Optimized for the vehicle repair industry, heavy trucks, tire lane, fleet maintenance, body shops, general industrial use, MRO, rail, heavy machinery, oil and gas, shipbuilding, and construction.

TWO NEW COLORS

The new 2235TiMAX-G (green) and 2235TiMAX-R (red) allows you to see it on the job and in the garage, while customizing your toolbox.

POWER

Punish the toughest bolts with 1350 ft.-lbs. of Nut Busting Torque powered by Ingersoll Rand's finely tuned twin-hammer impact mechanism. The 4-position power regulator and one-handed forward/reverse push button control give you the control to do the job right the first time.
