

Speciality Tools

The **324 Pinstripe Remover** and the **426 Reversible Cut-off Tool** stay true to the Ingersoll Rand name you trust. With a composite housing that provides lightweight, yet durable work, you can trust the **324** and **426** to get the job done.

324 - Pinstripe Remover

SPEED

Operates at an optimal speed of 3,700 rpm to remove decals, pinstripes, and other adhesives without damaging paint.

VERSATILITY

Along with the 324, you'll get 12 eraser pads to get you moving and keep you moving until the job is done. With the 324-1 we offer a value alternative that still supplies you with 1 eraser pad.

LIGHTWEIGHT

Weighing only 0,8 kg, the 324 is easy to use regardless of the angle orientation to get the job done effectively.

426 - Reversible Cut-off Tool

CONVENIENCE

Quickly get to work by using the 5 cut-off wheels that come with the 426, and when its time to order more our package labeling makes it easy

REVERSIBLE

Safely control the direction of the spark, allowing you to use the tool in any orientation.

LIGHTWEIGHT

Weighing 0,9 kg, the 426 allows you to work longer and get the job done faster.

CONTROL

The speed regulator knob gives you full control over the 426. Change speeds for different needs to ensure you get the job done right.

Specs
