2. Lessee Responsibilities. From the time the Equipment is shipped from Lessor’s facility, until it is returned to Lessor’s designated facility, Lessee shall: (i) use the Equipment solely in the conduct of its business; (ii) use and preserve the Equipment in a careful, proper and lawful manner; (iii) at its own expense, keep the Equipment in good repair, condition and working order and pay the cost of any and all parts and labor required for that purpose, using only parts manufactured or furnished by the manufacturer of the Equipment; (iv) not make any alterations to the Equipment; (v) promptly notify Lessor of any loss of or damage to the Equipment; (vi) assume the entire risk of loss of and damage to the Equipment, and injury or death to persons, from any cause whatsoever arising under this agreement; and (vii) be responsible for obtaining and following the procedures and requirements which may include Installation and Operating Manuals, Procedure, Guide, and any other instruction provided to Lessee by Lessor, and (viii) be liable for any damage to, or caused by Lessee for failure to install, operate, or maintain Equipment in accordance with those procedures and requirements.

Lessee may be charged for the period of time that Lessor is unable to rent such Equipment to others or for the duration of the minimum rental period.

4. Attachments and Repairs. Lessee agrees that all equipment, attachments, accessories and repairs made to or placed upon the Equipment shall immediately become the property of Lessor, and subject to the terms and conditions of this agreement as if originally rented hereunder. Lessee will procure, maintain, and pay for workmen’s compensation insurance upon employee operators of the Equipment, which may be required in any jurisdiction where such Equipment may be used or operated, unless Lessee shall have qualified as a self-insured therefor. Lessee, at its own expense, will maintain all risk insurance coverage on the Equipment for its full replacement value, and also such other insurance as Lessor may require, in amounts and under policies acceptable to Lessor (with additional insured and loss payee endorsement in favor of Lessor). In no event will Lessor’s liability in connection with the provision of products or services or otherwise under this agreement exceed the entire amount paid to Lessor by Lessee under this agreement.

13. Equipment Return. Upon termination of this agreement, Lessee will, at its own cost and expense, promptly return the Equipment to Lessor at the address of Lessor’s choosing, on the date required and in the same condition as received, reasonable wear and tear and normal depreciation excepted. If the Equipment is not returned in the same condition as received, Lessee shall be liable to Lessor for a cleaning fee. Any repairs or replacements, during or immediately following the rental, required in Lessor’s sole judgment to make the Equipment operate properly due to Lessee’s improper installation, abuse, misuse, or unusual wear will be charged to Lessee at the local time and material rates then prevailing. All repairs to Equipment must be performed by Lessor, unless otherwise agreed to by Lessor.
