

## Modular Heatless Desiccant Dryers 5-41 m<sup>3</sup>/h, 3-24 cfm

Our innovative modular desiccant dryers are compact, fully integrated units that install at point-of-use, so you pay for drying only the air required. They deliver ISO Class 2 dew point performance, with optional ISO Class 1 to help prevent corrosion, minimize production disruptions and losses due to moisture or contamination. And easy on-site maintenance – less than 15 minutes after 12,000-hours of use – gets you back on line quickly.

### Features

- **High Quality:** Air Proven high-performance desiccant technology delivers ISO Class 2 or Class 1 pressure dew point air for critical applications; pre-filter and after-filter protect desiccant and downstream air from oil contamination and particulates
- **Point-of-Use Operation:** With a compact footprint and low noise operation (< 75 dBA), modular dryers are suitable to be installed right in the work environment
- **Reliable Operation:** High-strength desiccant along with durable valves and components provide extended life
- **Reduced Energy Use:** Low pressure drop design saves on energy costs and provides an economical drying solution
- **Smart Control:** Easy to use, advanced microprocessor helps to maintain dryer performance at optimum levels, while constantly monitoring functions and provides maintenance alerts as well as protection notifications

## Model Specifications

Model	Capacity m3/hr (scfm)	Length x Width x Height mm (in)	Weight kg (lb)	Connection Air In/Out
D5IM	5 (3)	149 (5.9) x 289 (11.4) x 422 (16.6)	11 (24)	3/8" NPT
D14IM	14 (8)	149 (5.9) x 289 (11.4) x 616 (24.2)	16 (35)	3/8" NPT
D25IM	25 (15)	149 (5.9) x 289 (11.4) x 906 (35.7)	23 (51)	3/8" NPT
D34IM	34 (20)	149 (5.9) x 289 (11.4) x 1,098 (43.2)	28 (62)	3/8" NPT
D41IM	41 (24)	302 (11.9) x 284 (11.2) x 837 (32.9)	32 (70)	1/2" NPT

About Ingersoll Rand Inc. Ingersoll Rand Inc. (NYSE:IR), driven by an entrepreneurial spirit and ownership mindset, is dedicated to helping make life better for our employees, customers and communities. Customers lean on us for our technology-driven excellence in mission-critical flow creation and industrial solutions across 40+ respected brands where our products and services excel in the most complex and harsh conditions. Our employees develop customers for life through their daily commitment to expertise, productivity and efficiency. For more information, visit [www.IRCO.com](http://www.IRCO.com).
