

## Ultra EL Lubricant

Ingersoll Rand Ultra Extended Life (EL) advanced synthetic lubricant performs up to twice as long as other rotary lubricants, keeping your compressors running at peak performance, minimizing downtime and lowering lifecycle costs.

### Features

Using Ultra EL Lubricant **NOT** using Ultra EL Lubricant

- **Up to 16,000 hours of lubricant run time**
  - twice as long as other synthetic rotary lubricants -- maximizes uptime for critical equipment
- **Advanced cooling**, delivered by an ultra-high thermal conductivity value, enables compressors to run cooler and more efficiently, even in high-ambient temperature environments
- **Peak compressor performance** significantly reduces wear, delivering the highest efficiency, while dramatically increasing component longevity
- **More reliable lubricant performance** provides more consistent productivity in your operation
- **High flash point** of 272 °C (522 °F), higher than most poly-alpha-olefins (PAOs), diesters and other synthetic lubricants, enhances operational safety
- **Significantly improved separation qualities** so more lubricant stays in your compressor

AFTER 8,000 HOURS...

### Model Specifications

Bottle Size	OEM Part #
1 Liter (0.3 gallons)	Part # 24161119
5 liters (1.2 gallon)	Part # 24061608
15 liters (4.0 gallons)	Part # 24061624
208 liters (55 gallons)	Part # 24061640

About Ingersoll Rand Inc. Ingersoll Rand Inc. (NYSE:IR), driven by an entrepreneurial spirit and ownership mindset, is dedicated to helping make life better for our employees, customers and communities. Customers lean on us for our technology-driven excellence in mission-critical flow creation and industrial solutions across 40+ respected brands where our products and services excel in the most complex and harsh conditions. Our employees develop customers for life through their daily commitment to expertise, productivity and efficiency. For more information, visit [www.IRCO.com](http://www.IRCO.com).
