

XL 740HT

XL-740HT should be used for water cooled compressors operating at high pressure and elevated ambient conditions. The XL-740HT is also recommended for use in the 25 through 125 horsepower Type 40 air-cooled compressors.

Characteristics

- Reduce labor costs by lowering your maintenance requirements
- Extend the life cycle of wearing parts
- Provide maximum wear protection for the cylinder and crankcase areas

About Ingersoll Rand Inc. Ingersoll Rand Inc. (NYSE:IR), driven by an entrepreneurial spirit and ownership mindset, is dedicated to helping make life better for our employees, customers and communities. Customers lean on us for our technology-driven excellence in mission-critical flow creation and industrial solutions across 40+ respected brands where our products and services excel in the most complex and harsh conditions. Our employees develop customers for life through their daily commitment to expertise, productivity and efficiency. For more information, visit www.IRCO.com.
