

Portable Petrol Engine

Ingersoll Rand portable, petrol driven reciprocating air compressors are perfect for applications where there is no electrical power supply. The units are equipped with large all terrain tyres making it easier to move them around on uneven ground. The wide-track gauge also facilitates their transport in difficult environments. Both models (4.0 & 6.7 kW) come equipped with a Honda petrol engine and a pressure regulator/filter.

Features

- Twin cylinder single stage pump units
- Pressure regulator with gauge at discharge
- Includes wheel kit and maneuvering handle
- Quick release fitting on discharge regulator
- Safety relief valve and check valve fitted
