

Reciprocating Vacuum Pump 2-7.5 hp

Engineered for compactness, economy and dependability, our vacuum pumps are the number one choice for demanding applications, providing top operating efficiency combined with low maintenance. And best of all, these vacuum pumps are backed by Ingersoll Rand, the world's leader in air compressor and pump manufacturing.

Features

- Long-Life: Durable cast iron frame and cylinder construction
- Superior Pump Efficiency: Separately cast cylinders with deep radial fins for improved cooling and efficiency
- Easy to Service: Accessible stainless steel valve and one piece connecting rod simplifies maintenance and service
- Advanced Safety Features: Standard low oil-level switch to provide constant protection of the compressor
- Reliable Operation: All Season Select synthetic lubricant increases efficiency; with 2,000 hours of service between changeouts, it performs four times longer than petroleum-based lubricant
- Two-Year Warranty Available: Purchase an All-Season Select lubricant start-up kit, and receive all the parts you need for start-up and the first year of maintenance, along with an extended pump warranty
