

UP6 4-11 kW Oil-Flooded Rotary Screw Compressors

Offering an exceptional value without sacrificing the reliability you've come to expect from Ingersoll Rand, the UP6 Series of oil-flooded rotary screw compressors provides a complete air solution in an easy to use, easy to access compact package, delivering efficient performance.

Features

- **Efficient Operation:** Advanced high-efficiency combination cooler with roof-mount package exhaust enables easy ducting
- **Easy to Use:** Simple diagnostics, auto start/stop and a spacious design to maximize serviceability makes the UP6 Series easy to operate
- **Safer Work Environment:** Whisper quiet operation allows for installation closer to point-of-use, reducing costs and ensuring a better and safer work environment
- **Enhanced Reliability:** Fewer connections and smart integration eliminates leaks and pressure drops maximizing reliability
- **Extend Equipment Life:** Closely maintained discharge pressure avoids excessive pressure bands increasing downstream tool and equipment life
- **Compact Footprint:** Small footprint frees up valuable floor space and reduces install costs
