

Techtrol Gold Centrifugal Compressor Lubricant

Ingersoll Rand's Techtrol Gold III Optimized lubricant is designed to provide the same superior performance over mineral oils that the industry has come to expect from Ingersoll Rand lubricant.

Features

When compared to mineral-based lubricants, MSG[®] Centac[®] Techtrol Gold synthetic coolant offers significant advantages:

- **Premium base stock** provides exceptional performance, surpassing all mineral-based lubricants
- **Extended operating life** of three years (24,000 hours), reducing fluid disposal frequency and costs
- **Eliminates deposits and build-up** caused by fluid breakdown allowing bearings to run cooler, minimizing downtime and costs
- **Superior film strength** protects against metal-to-metal contact
- **Stable viscosity** over a wide temperature range protects compressors
- **Proprietary blend** specifically for MSG Centac centrifugal air compressors exceeds lubricant specifications to assure consistent quality

Model Specifications

Bottle Size	Part #
5 gal	Part # 38459590
55 gal	Part # 68140490
