

CORDLESS PRODUCTIVITY.
COUNTLESS POSSIBILITIES.

METALWORKING UNRESTRAINED.

Ingersoll Rand® G5351M IQV® 20V CORDLESS 115/125 mm ANGLE GRINDER

Break free from the cord with the G5351M IQV® 20V Cordless 115/125 mm Angle Grinder & Cut-Off Tool that brings the power of pneumatic with the mobility of a cordless tool. Slim and well-balanced, the G5351M allows access to tight spaces and weighs 30% less than its leading competitor. Tool features an extended paddle switch and unique inline battery design that eliminates interference from the forearm during use. The G5351M couples a high-performance brushless motor with advanced features like anti-kickback and e-brake for safe, reliable performance. Its light weight, slim handle with overmolded grip makes the G5351M Cordless Grinder comfortable for extended use. Tool-free guard and spindle-lock button allow quick and easy accessory changes. The G5351M is compatible with all IQV® 20V batteries.
