

## Primecool and Primecool Plus

For GHH RAND oil-injected airends we developed this series of high performance coolants. For contact cooled airends this lubricant provides cooling in the compression chamber and lubrication of gears and bearings.

### Features

#### PRIMECOOL®

A mineral coolant containing highly refined base oils and additives with an approved operating life of up to 4.000 running hours.

#### PRIMECOOL PLUS®

A synthetic coolant based on polyalphaolefine, offering an extended life cycle, with an approved operation life of up to 8.000 running hours.

#### Warranty

An additional and valuable benefit of using the GHH RAND family of PRIMECOOL® & PRIMECOOL® PLUS lubricants is an increased warranty period from 12 months up to 24 months for PRIMECOOL® use (limited to 12.000 running hours) and to 36 months for PRIMECOOL® PLUS with unlimited operating hours.
